

Playtest Feedback — Stack M (Game Length Cut)

One form per player. Fill out independently after the game.

NOTE

Stack M is a bundled change — six things at once. Board is **8×8**. Armor max is **2**. Injured pieces have **no penalty** (still 2hp tracker). **No draw conditions** — game ends only when a King is captured. Steal costs **4**. Multi-Champion Combo Bonus now also ticks on **movement-causing skills** (Tempest, Hook, Blast, Shove, Swap when it relocates an enemy).

2 SECTION B — Stack-Specific Questions

- Game length — target was 30-60 minutes.** Did this game feel like the right length, too short, or too long?
Way too short — A bit short — Just right — A bit long — Way too long
How many rounds did the game last? _____ (also fill in Section A)
- Game shape — single climax or up-and-down?** Did the game build to one big moment that decided it, or did it feel like multiple highs with lows in between?
One clear climax → game ended — Two climaxes — Multiple climaxes — No real climax
After the decisive moment, did the game end naturally, or did it drag? _____
- Mid-game stalling — earlier playtests had a stretch where both players stacked Armor and nothing else happened.** Did that pattern appear in this game?
Yes, clearly — Briefly — Not really — Not at all
If yes, around which round(s)? _____
- Board size (8×8):** How did the smaller board feel compared to the previous 10×10?
Cramped — A bit tight — Just right — A bit open — Too sparse
Did pieces feel like they had enough escape options? Yes / Sometimes / No

5. **Armor cap (max 2):** Did Armor feel meaningful but not dominant? Did the lower cap change how you played?
Comment: _____
6. **Injured pieces — no penalty:** In this stack, Injured pieces still die after one more hit, but they don't slow down or lose Range. Did this feel right, or did Injured feel meaningless?
Right call (cleaner) — Mostly fine — A bit weird — Injured felt meaningless
Did you treat an Injured piece any differently from a Normal piece? _____
7. **No draw conditions:** Was there ever a point where you would have wanted to call a draw but couldn't? Did the game end naturally?
Game ended naturally — Wanted to draw at some point — Was a problem
If wanted draw: when and why? _____
8. **Steal cost 4:** Did Steal still feel like a must-pick, or finally tunable? Did you draft it? If yes, did you regret it?
Drafted Steal: Yes / No Felt like a must-pick: Yes / No
Comment: _____
9. **Combo widening — movement-causing skills also tick the counter.** Did the new combo trigger feel intuitive when it fired? Did you plan combos differently because of it?
Felt intuitive — Took some getting used to — Confusing — Did not register
Did Tempest, Hook, Blast, Shove, or Swap feel especially strong because of this? Which one: _____
10. **Per-turn complexity:** On 8x8 with lower Armor and no Injured-penalties, did the per-turn decision space feel lighter, the same, or heavier than before?
Much lighter — Lighter — Same — Heavier — Much heavier
Did you ever feel overwhelmed by how many possible moves you had? Yes / Sometimes / No
-

3 SECTION C — Systems & Overall Feel

11. **Skill Drafting:** Did the draft feel fair and engaging? Did you draft with specific skill pairings in mind?

12. **Turn flow:** Did Move Phase actions and Skill Phase actions feel intuitive to manage together?
Very intuitive — Mostly yes — Sometimes confusing — Often confusing
13. **Skills — balance:** Any skill that felt too strong or too weak (besides Steal, asked above)?
Too strong: _____ Too weak: _____
Best combo you pulled off: _____
14. **Bodyguard Rule:** Did it trigger? Did you actively reposition Guards to use it?
Triggered _____ times. Repositioned Guards for it: Yes / No / Sometimes
15. **Money spending:** Did you ever sit on a lot of Money with nothing good to spend it on, or were you always wanting to spend more than you had?
Always more to spend than Money — Balanced — Sometimes nothing to spend on — Often sat on Money
If sitting on Money, why? _____
16. **Favorite moment of the game — describe what happened:**

17. **Opponent's game:** Did you feel like you and your opponent were both solving a similar kind of puzzle, or more of a direct "stop them from winning" contest?
Same puzzle — Bit of both — Direct contest — Hard to say
18. **Most confusing or frustrating rule or moment:**

Game length: 1 (way too short) — 2 (a bit short) — 3 (just right) — 4 (a bit long) — 5 (way too long)
Circle: 1 • 2 • 3 • 4 • 5

Pacing / single-climax shape vs prior playtest: Much worse — Worse — Same — Better — Much better

Overall enjoyment: 1 — 2 — 3 — 4 — 5
