

Playtest Feedback — Stack B: Bodyguard Rule Fix

One form per player. Fill out independently after the game.

In this stack, a Guard only needs to be **adjacent to the defender** to intercept (baseline requires adjacent to both attacker AND defender). The Guard takes the damage instead of the original target. Attacker moves 1 tile.

Date: _____

Game length (rounds): _____

Your name: _____

Playing as: P1 / P2 (circle one)

Opponent: _____

A — Observational Data

Reference your tracking sheet for round-by-round Rune and skill data.

Total captures — you: _____ / opponent: _____

Total Bodyguard intercepts in the game: _____

First Guard kill — round: _____

First Champion kill — round: _____

Total Armor granted — you: _____ / opponent: _____

B — Stack Questions

1. How many times did the Bodyguard rule trigger total? _____

More / About the same / Less than you expected?

2. Did you actively reposition Guards to protect Champions or the King?

Yes, often — Yes, sometimes — No, never thought about it — No, wasn't practical

3. Was it too easy to keep a Champion or King protected behind Guards?

Way too easy — Somewhat easy — Balanced — Difficult — Very difficult

4. Did the new rule feel intuitive ("adjacent to defender only")?

Very intuitive — Mostly yes — Sometimes confusing — Often confusing — No

5. Were there moments where you could intercept but chose NOT to?

Yes — describe: _____

No

6. Did Guards feel more valuable than in Playtest 1?

Much more — Somewhat more — Same — Less valuable

7. Should skills also be interceptable by Guards, or Standard Attacks only?

Yes, skills too — Maybe some skills — No, attacks only feels right — Unsure

C — Systems & Overall Feel

These questions cover the full game — not just the stack being tested.

8. **Skill Drafting:** Did the draft feel fair and engaging? Did you have a clear plan going in, or did you just pick what seemed good?

9. **Turn flow:** Did Move Slots and Skill Slots feel intuitive to manage together?
Very intuitive — Mostly yes — Sometimes confusing — Often confusing

10. **Skills — balance:** Any skill that felt too strong or too weak?
Too strong: _____ Too weak: _____
Best combo you pulled off:

11. **Must-pick skill:** Did any skill feel like everyone should always pick it — like skipping it would be a mistake?
Yes: _____ No — Why:

12. **Injured Champions:** When a Champion (not a Guard) was Injured, did it feel meaningfully weaker — or basically fine until killed?
Clearly weaker — Slightly weaker — Barely noticeable — Not different at all
What changed for them?

13. **Armor:** Did either player stack a lot of Armor? Did Armor feel like it slowed the game down, or was it a fair tradeoff?
Slowed game noticeably — Slightly extended — Well balanced — Armor rarely mattered

14. Rune spending: Did you ever sit on a lot of Runes with nothing good to spend them on — or were you always wanting more?
Always wanted more — Balanced — Sometimes nothing to spend on — Often sat on Runes
If sitting on Runes, why?

15. Rune economy: Did skill use feel frequent enough throughout the game?
Too scarce — About right — Too easy to spam
First round you used a skill: Round _____

16. Injured state: Did pieces spend meaningful time Injured before dying?
Often — Sometimes — Rarely — Never
Did you use a heal or armor skill because of it? Yes / No

17. Favorite moment of the game:

18. Most confusing or frustrating rule or moment:

Game length: 1 (way too short) — 2 (a bit short) — 3 (just right) — 4 (a bit long) — 5 (way too long)
Circle: **1 • 2 • 3 • 4 • 5**

Guards feel vs Playtest 1: Much worse — Worse — Same — Better — Much better

Overall enjoyment: 1 — 2 — 3 — 4 — 5
