C — Systems & Overall Feel

These questions cover the full game — not just the layer being tested.

11. Skill Drafting: Did the draft feel fair and engaging? Did you have a clear plan going in, or did you just pick what seemed good?

12. Turn flow: Did Move Slots and Skill Slots feel intuitive to manage together?

Very intuitive — Mostly yes — Sometimes confusing — Often confusing

13. Skills — balance: Any skill that felt too strong or too weak?

Too strong: _____ Too weak: _____

Best combo you pulled off: _____

14. Must-pick skills: Did any skill feel like everyone should always pick it — like skipping it would be a mistake?

Yes: _____ No — Why: _____

15. Bodyguard Rule: Did it trigger? Did you actively reposition Guards to use it?

Triggered _____ times. Repositioned Guards for it: Yes / No / Sometimes

16. Injured Champions: When a Champion (not a Guard) was Injured, did it feel meaningfully weaker — or basically fine until killed?

Clearly weaker — Slightly weaker — Barely noticeable — Not different at all

What changed for them? _____

17. Armor: Did either player stack a lot of Armor? Did Armor feel like it slowed the game down, or was it a fair tradeoff?

Slowed game noticeably — Slightly extended — Well balanced — Armor rarely mattered

18. Rune spending: Did you ever sit on a lot of Runes with nothing good to spend them on — or were you always wanting more?

Always wanted more — Balanced — Sometimes nothing to spend on — Often sat on Runes

If sitting on Runes, why? _____

19. Did Rune economy feel different with 1-DMG attacks? (More pressure to spend on skills?)

Much more spending — Somewhat more — About the same — Less spending
